Chairman Maher opened the meeting at 6:18pm,

The following motion was read by S. Ledda...

It is hereby moved that the Parks and Recreation Commission vote to request the Board of Selectmen to cancel the special town meeting planned to address the Manors Field project, where it has become apparent that additional planning work and community input is needed before the project can be recommended to move forward, and where the Commission believes, therefore, that debate on whether to fund the project would be premature; and further, to authorize C. Dello Iacono & S. Ledda to attend the Board's meeting planned for January 22, at 11:30 am in the Town Managers Office, to represent the Commission and provide the Board notice of this vote.

C. Dello Iacono seconded the motion, a vote was taken and all yes in agreement of the motion.

C. Dello Iacono made a motion to adjourn the meeting, and a second was requested by J. Briggs, all voted in the affirmative and the meeting was adjourned at 6:20 pm.
