D. Hart opened the meeting at 6:05, and thanked everyone for all the hard work that has been put into this Master Plan.

Discussion and Vote on Recreation Master Plan Edits

There was discussion on the final draft document that was sent from Horsley & Whitten, as to the grammatical and some factual errors, and how to get the final document to where we as a committee, can be confident and proud of the final report that is sent to the Town.

It was decided that we could and would not in good faith sign off on this draft as the Final Report, that there needs to be edits and corrections, before this could be a report that we are proud of presenting to the Parks & Recreation Commissioners and Town Meeting.

R. Stanley will reach out to Nathan Kelly an Associate Principal at Horsley & Whitten and see that the errors (both factual & Grammatical) are corrected in the final Document, and that we are presented with a corrected and proper report.

Old/New Business

There was no other business, Old or New.

Motion made by T. White to adjourn, with a second by J. Maher, all voted to end the meeting at 7:15 pm
