THINK GREEN.®

Dear Dedham Resident:

Waste Management would like to take this opportunity to provide you with updated information related to solid waste and recycling services in the Town of Dedham. We look forward to helping Dedham be as clean and green as possible!

Sincerely,
Waste Management

For More Information:
Waste Management: (800) 972-4545

Department of Public Works: (781) 751-9350 or www.dedham-ma.gov

Trash will be collected weekly, and recycling collection will occur every other week. To confirm your recycling collection weeks, please check the Street Listing panel, find your street and note whether your recycling is collected on a Gold or Green week. Then refer to the 2020 Collection Schedule to determine those weeks.

All materials must be placed at the curb by 7 a.m. on your collection day.

Trash

The Town has contracted with WasteZero and Waste Management to provide an option for residents to dispose of excess household trash.

Residents should place trash into their standard trash cart however trash that does not fit into the cart can be placed in official overflow bag(s) next to the trash cart for collection on your regularly scheduled collection day.

The official Town of Dedham overflow bags are 30 gallon capacity, yellow bags with the Town seal. Only official overflow bags will be collected. Overflow bags are for excess household trash only. Bags will not be collected if they contain recycling, construction debris, or yard waste.

Overflow bags are \$2.00/each and are sold in sleeves of five. As of this date, official bags are available for purchase at the following local retailers:

- Star Market 795 Providence Highway
- Stop & Shop 160 Providence Highway
- Terri's Market 12 Louise Rd
- 7-11 77 Cedar St.

All household refuse must be bagged and placed in the waste cart with the GREY LID. Material may not be sticking out of the cart. Please do NOT place any recyclables in the waste cart.

The following items will NOT be accepted:

- Dirt, sod, concrete or rock, construction/demolition debris, household hazardous waste, hot ashes or flammable materials such as oil, gas or paint.

Have you ever heard the phrase "one bad apple spoils the bunch?" The same is true for recycling, where on non-recyclable item can spoil an entire batch of otherwise good materials. It may seem like a small detail - a wrong item in the recycling bin - but it represents a global problem that's preventing thousands of tons of material from ever seeing a second life and we need your help!

-Place only the acceptable recyclables pictures below in the recycling cart.

-Plastic bags are NOT acceptable in the recycling cart. Please empty all loose recyclables directly into the cart.

Always recycle:

Plastic Bottles & Containers

Food & Beverage Cans

Paper

Flattened Cardboard & Paperboard

Glass Bottles & Containers

Do NOT include in your mixed recycling cart:

NO Food or Liquids

NO Foam Cups & Containers

NO Clothing, Furniture & Carpet

NO Batteries or Needles in the Recycling or Trash
Batteries and needles pose safety risks for our employees. Check for local drop-off programs for proper disposal.

NO Loose Plastic Bags, Film or Bagged Recyclables
Empty recyclables directly into your cart.
