TOWN MEETING MEMBERS PRECINCT 7	BALLOT QUESTION
For Three Years <input type="checkbox"/> Vote for NOT more than THIRTEEN <input type="checkbox"/>	This question is non-binding.
MARK A. REILLY 32 Rosen Rd Candidate for Re-Election <input type="checkbox"/>	Do you favor, if there is no cost to Dedham taxpayers for design and construction, the creation of the so-called Dedham Heritage Rail Trail on the 10-acre parcel of public land that runs from East Street to the Boston/Readville line?
LISA M. O'CONNOR 28 Heritage Hl Candidate for Re-Election <input type="checkbox"/>	Summary:
CHERYLE E. BIGGAR 25 Westchester Cir Candidate for Re-Election <input type="checkbox"/>	This non-binding ballot question, submitted in accordance with G.L. c.53, s.18A, asks voters to provide their opinion about whether they would support the design and construction of the so-called Dedham Heritage Rail Trail if there is no cost to Dedham taxpayers in connection therewith. Because of its non-binding nature, if the ballot question passes, it does not mandate that the Town go forward with the project. If the ballot question does not pass, it similarly does not mean that the project will never go forward. This question simply seeks the opinion of the voters of the Town of Dedham as to whether, at this time, it favors design and construction of the proposed rail trail if there are no municipal expenditures for design and construction.
ALEXANDER M. BENDER 30 Chester Ave <input type="checkbox"/>	A "YES" vote on this question shows non-binding support, if there is no cost to Dedham taxpayers, for the design and construction of the so-called Dedham Heritage Rail Trail.
KRISTEN MORSE 5 Truman Rd Candidate for Re-Election <input type="checkbox"/>	A "NO" vote on this question shows non-binding opposition, if there is no cost to Dedham taxpayers, to the design and construction of the so-called Dedham Heritage Rail Trail.
