

PUBLIC SAFETY BUILDING PROJECT

Weekly Project Updates and
7-Day Look-Ahead

**Here is a look-ahead at the construction work planned for the Public Safety Building,
from May 24, 2021 to May 28, 2021**

Project Overview:

Construction of a combined public safety building commenced in December 2020 on the site of the former Town Hall at 26 Bryant Street. The new building will house the staff and equipment of Fire, Police, and Dispatch departments. The new combined Public Safety Building will replace two older Town buildings: Police Station at 600 High Street (built in 1962) and the Fire Station at 436 Washington Street (built in 1930). The new building is scheduled to open in the Fall of 2022.

The [livestream video](#) of the construction is now available on the Project website! Tune in from anywhere to watch the continued progress on the Combined Public Safety Building.

What to expect May 24, 2021 (Monday) through May 28, 2021 (Friday):

- The project site remains closed to the public.
- Crews completed the underground sewer line installation at Union Place on **Friday, May 22, 2021**. On Monday, **May 24, 2021**, crews will finish paving Union Place and the roadway will be reopened to through traffic and parking lots on **Tuesday, May 25, 2021**.
- Crews will continue the installation and forming of rebar for the west wall and will begin work to install the footings and piers for the interior walls of the building.
- As shown in the photo on page 2, crews were able to make incredible progress on the shear wall installation of stairwell #2, utilizing approximately 50 cubic yards of concrete.
 - During the week of May 24, crews will continue this work on the construction of shear walls for stairwell #1.
- Crews will begin backfilling foundation footings, piers and grade beams already installed.
- Dewatering system is still in operation onsite and will remain operational throughout the remainder of the excavation work.
- Trucks may be entering and exiting the site along Bryant Street, hauling material to the site.
- No additional traffic impacts or pedestrian impacts are anticipated during this week.

Construction Hours:

- Crews will be working onsite Monday through Friday, from 7:00 AM to 3:30 PM
