

# PUBLIC SAFETY BUILDING PROJECT

Weekly Project Updates and  
7-Day Look-Ahead

**Here is a look-ahead at the construction work planned for the Public Safety Building,  
from June 1, 2021 to June 4, 2021**

## Project Overview:

Construction of a combined public safety building commenced in December 2020 on the site of the former Town Hall at 26 Bryant Street. The new building will house the staff and equipment of Fire, Police, and Dispatch departments. The new combined Public Safety Building will replace two older Town buildings: Police Station at 600 High Street (built in 1962) and the Fire Station at 436 Washington Street (built in 1930). The new building is scheduled to open in the Fall of 2022.

The [livestream video](#) of the construction is now available on the Project website! Tune in from anywhere to watch the continued progress on the Combined Public Safety Building.

## What to expect June 1, 2021 (Tuesday) through June 4, 2021 (Friday):

- The project site remains closed to the public.
- The project site will be closed on **Monday, May 31, 2021** in observance of Memorial Day.
- Crews will continue working on the shear walls for stairwell #1 and will remove the form work for stairwell #2 (see attached photo).
- The placement of interior footings, piers and walls will begin the week of **June 1**.
- Crews will begin to backfill the underground garage ramp retaining wall footings on the north side of the ramp.
- Dewatering system is still in operation onsite and will remain operational throughout the remainder of the excavation work.
- Trucks may be entering and exiting the site along Bryant Street, hauling material to the site.
- No additional traffic impacts or pedestrian impacts are anticipated during this week.

## Construction Hours:

- Crews will be working onsite Tuesday through Friday, from 7:00 AM to 3:30 PM
