

PUBLIC SAFETY BUILDING PROJECT

Weekly Project Updates and
7-Day Look-Ahead

**Here is a look-ahead at the construction work planned for the Public Safety Building,
from June 14, 2021 to June 18, 2021**

Project Overview:

Construction of a combined public safety building commenced in December 2020 on the site of the former Town Hall at 26 Bryant Street. The new building will house the staff and equipment of Fire, Police, and Dispatch departments. The new combined Public Safety Building will replace two older Town buildings: Police Station at 600 High Street (built in 1962) and the Fire Station at 436 Washington Street (built in 1930). The new building is scheduled to open in the Fall of 2022.

The [livestream video](#) of the construction is now available on the Project website! Tune in from anywhere to watch the continued progress on the Combined Public Safety Building.

What to expect June 14, 2021 (Monday) through June 18, 2021 (Friday):

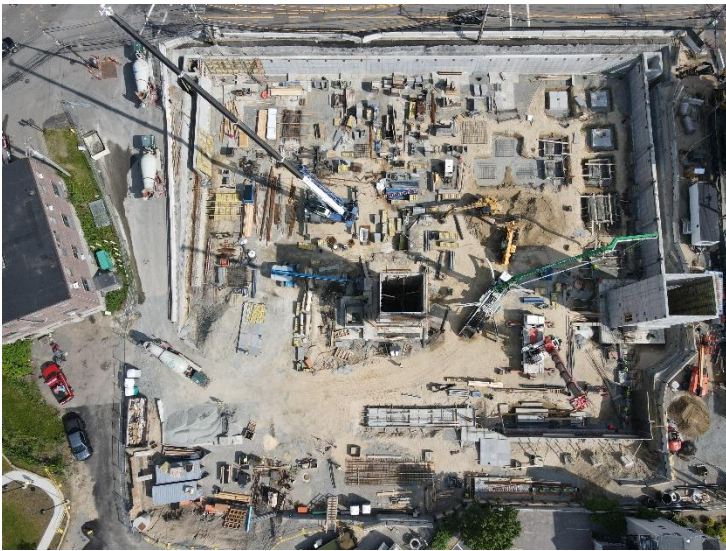

- The project site remains closed to the public.
- Crews will be working onsite on **Saturday, June 12 from 8:00 AM to 4:00 PM** to remove and install formwork, and to perform overall site consolidation and clean-up.
- Crews will continue installing and forming rebar for the footings and walls.
- The installation of the elevator shaft formwork will continue next week.
- The placement of interior footings, piers and walls, and concrete pours are on-going.
- The contractor will begin backfilling the interior footings and the underground garage retaining wall footing on the north side of the site.
- Dewatering system is still in operation onsite and will remain operational throughout the remainder of the excavation work.
- Trucks may be entering and exiting the site along Bryant Street, hauling material to the site.
- No additional traffic impacts or pedestrian impacts are anticipated during this week.

Construction Hours:

- Crews will be working onsite Monday through Friday, from 7:00 AM to 3:30 PM
