

PUBLIC SAFETY BUILDING PROJECT

Weekly Project Updates and
7-Day Look-Ahead

Here is a look-ahead at the construction work planned for the Public Safety Building, from July 5, 2021 to July 9, 2021

Project Overview:

Construction of a combined public safety building commenced in December 2020 on the site of the former Town Hall at 26 Bryant Street. The new building will house the staff and equipment of Fire, Police, and Dispatch departments. The new combined Public Safety Building will replace two older Town buildings: Police Station at 600 High Street (built in 1962) and the Fire Station at 436 Washington Street (built in 1930). The new building is scheduled to open in the Fall of 2022.

The [livestream video](#) of the construction is now available on the Project website! Tune in from anywhere to watch the continued progress on the Combined Public Safety Building.

What to expect July 5, 2021 (Monday) through July 9, 2021 (Friday):

- The project site remains closed to the public.
- The project site will be closed on **Monday, July 5** in observance of Independence Day.
- Crews will be working onsite on **Saturday, July 3, 2021, from 8:00 AM to 4:00 PM** to complete the excavation for foundations.
- Crews will continue concrete placement for foundations next week.
- Equipment and materials will continue to be offloaded and removed from the site.
- Beginning **Tuesday, July 6**, the steel erector will mobilize onsite and the crane that will be used for steel installation will be moved into place.
- Delivery of materials for steel erection will begin next week. Expect periodic entrance and exit of large trucks at the project site entrance, located at the intersection of Washington Street and Bryant Street.
- No additional traffic impacts or pedestrian impacts are anticipated during this week.

Construction Hours:

- Crews will be working onsite on **Saturday, July 3 from 8:00 AM to 4:00 PM.**
- Crews will be onsite next week, Tuesday through Friday, from 7:00 AM to 5:00 PM
