

# PUBLIC SAFETY BUILDING PROJECT

Weekly Project Updates and  
7-Day Look-Ahead

**Here is a look-ahead at the construction work planned for the Public Safety Building,  
from September 27, 2021 to October 1, 2021**

## Project Overview:

Construction of a combined public safety building commenced in December 2020 on the site of the former Town Hall at 26 Bryant Street. The new building will house the staff and equipment of Fire, Police, and Dispatch departments. The new combined Public Safety Building will replace two older Town buildings: Police Station at 600 High Street (built in 1962) and the Fire Station at 436 Washington Street (built in 1930). The new building is scheduled to open in the Fall of 2022.

A [livestream video](#) of the construction is available on the Project website! Tune in from anywhere to watch the continued progress on the Combined Public Safety Building. While there, check out the updated Before-and-After photos of the progress onsite.

## What to expect September 27, 2021 (Monday) through October 1, 2021 (Friday):

- The project site remains closed to the public.
- The dewatering system remains in place and operational.
- Crews will begin to focus on the remaining section of the steel decking and detail work: the roof.
- On **Monday, September 20, 2021**, crews placed the first floor concrete slab and placed the concrete slab for the second floor Police area on **Wednesday, September 22, 2021**.
- Concrete slab placement next week will include:
  - **Monday, September 27, 2021**: Remainder of the first floor concrete
  - **Tuesday, September 28, 2021**: Remainder of second floor Fire area
  - **Wednesday, September 29, 2021**: Roof level for both Police and Fire areas
- **\*NOTE:** Please Expect trucks to be entering and exiting the site during this time to deliver concrete.
- Plumbing and electrical contractors will be onsite to install underground utilities in the basement and subsurface garage.
- Expect periodic entrance and exit of large trucks at the project site entrance, located at the intersection of Washington Street and Bryant Street. **Please expect minor traffic delays at this intersection.**
- No additional traffic impacts or pedestrian impacts are anticipated during this week.

## Public Viewing Area:

If you want to stop by to check out the progress, stand by the picnic table outside the north entrance to Town Hall. This spot provides a great view into the project site and is outside of the project boundaries. Worth a visit!

## Construction Hours:

- Crews will be onsite:
  - Monday through Friday: 7:00 AM to 5:00 PM

## Project Team Contact Information:

- Immediate issues or concerns, please contact the Dedham Town Manager's Office at [781-751-9100](tel:781-751-9100).
- For general questions or concerns, please contact the project team at [psb@dedham-ma.gov](mailto:psb@dedham-ma.gov)
- For more information about the Public Safety Building Project, please visit the project website at [www.dedham-ma.gov/psb](http://www.dedham-ma.gov/psb)
- Download our [project team contact information flyer](#) on the project website.
