Please join us for an online public meeting to learn more about the Dedham East Street Bridge Replacement Project. We're replacing the bridge that carries the Franklin Line over East Street between Dedham Corporate Center and Endicott Stations. The new bridge will meet the MBTA's reliability and modernization needs. At this meeting, we will present an overview of the 30% design plans for the bridge.

The meeting will be held online, via Zoom. The project team will begin the meeting with a presentation at 6:00 PM, followed by time for Questions + Answers. Please pre-register for this meeting at the link to the left. After registering, you will receive a confirmation email with information about joining the meeting. The presentation will be posted on the website ahead of the meeting and a recording of the meeting will be posted for those who are unable to attend. You can also email questions to **EastStBridge@mbta.com**.
