# WELCOME TO TUFTS HEALTH PLAN

New Members — Register at Tuftshealthplan.com for fast access to your secure online account and personal benefit information.

Please fill in the "employee" sections of this membership application completely. Failure to do so could delay enrollment. You will receive your Tufts Health Plan ID card and member benefit document soon. If you need a temporary ID, please use the yellow copy of this completed form.

## **Employer Section**

Your employer must fill out this section.

# **Employee Section**

- Personal Information: Complete all enrollment information. For all plans, select a primary care provider (PCP), be sure to fill out this section for all members, including dependents.
- Product Code: Please be sure to fill in the correct product code for the plan you have selected.
- Primary Care Provider: If your plan requires you to choose a PCP, it is important that you select one right away. Until we know who your PCP is, your in-network benefits may be limited to emergency services only. To find a PCP, visit tuftshealthplan.com and use the Doctor Search feature. On this application, indicate whether you are an established patient of the PCP you have listed. (You are an established patient if you have routinely received health care services from this provider in the past.) If you are selecting a new PCP, contact the provider's office right away and introduce yourself as a new Tufts Health Plan member. Ask if they are taking new patients and if the provider would like to schedule a physical exam. You will then need to transfer your medical records to your new PCP.
- Other Health Coverage: If you have other or additional insurance (such as Medicare), please check the correct box and fill in the requested

information. If you do not have any other insurance, be sure to check the "No" box.

# When the Application is Complete

- Give the application to your employer.
- Employee keeps the yellow copy. This is also your temporary ID.
- Employer keeps the pink copy.
- Employer mails the original white copy to: Tufts Health Plan

## If You Need Emergency Care

If a health care emergency occurs, go to the nearest medical facility or call 911. An emergency is a serious injury or the onset of a serious condition that prevents you from taking the time to call your PCP.

### **Notices**

By enrolling, you understand and agree that if you or any of your enrolled dependents obtain a health care benefit or payment that you are not entitled to receive, or if you knowingly present a claim that contains a false statement, you can be liable for the full amount of the health care benefit or payment made and for reasonable attorney's fees and costs, including the cost of the investigation.

Tufts Health Plan arranges for the provision of health care services through agreements with independent community-based health care professionals working in private offices and with hospitals throughout the Tufts Health Plan service area. These providers are independent contractors and not employees, agents, or representatives of Tufts Health Plan. Tufts Health Plan does not directly provide health care services.
