

PUBLIC SAFETY BUILDING PROJECT

Weekly Project Updates and
7-Day Look-Ahead

**Here is a look-ahead at the construction work planned for the Public Safety Building,
from April 4, 2022 to April 8, 2022**

Project Overview:

Construction of a combined public safety building commenced in December 2020 on the site of the former Town Hall at 26 Bryant Street. The new building will house the staff and equipment of Fire, Police, and Dispatch departments. The new combined Public Safety Building will replace two older Town buildings: Police Station at 600 High Street (built in 1962) and the Fire Station at 436 Washington Street (built in 1930). The new building is scheduled to open in the Fall of 2022.

A [livestream video](#) of the construction is available on the Project website! Tune in from anywhere to watch the continued progress on the Combined Public Safety Building. While there, check out the updated Before-and-After photos of the progress onsite.

What to expect April 4, 2022 (Monday) through April 8, 2022 (Friday):

- The project site remains closed to the public.
- Crews will be working on **Saturday, April 2, 2022**, to remove staging, work on the elevator shaft, and to remove concrete from the site.
- **Bryant Street will remain closed this week, beginning Monday, between 7:00 AM and 3:30 PM**, as contractors continue to install subsurface water quality structures. The road will be closed to through traffic in both directions and Dedham Police Officers will be onsite to assist with traffic flow and management in the area. Additional work updates will be shared as available.
- Crews will continue the mechanical, electrical, fire protection system, and plumbing installations this week.
- Piping along the second floor of the Fire Department will continue to be insulated this week.
- Installation of the exterior stone (Shouldice) will continue along the North, South and West sides of the building.
- Crews will continue to frame and glaze the walls along the north side of the building this week.
- The interior cold formed metal framing and Densglass will continue to be installed on all floors of the building and along all exteriors next week.
- The roofing subcontractor is nearing completion of the work and punch list items are ongoing.
- Air Vapor Barrier installation is nearing completion. Contractors are addressing any remaining items on the installation punch list prior to final sign off.
- A date has not yet been set for placement of the generator pad and transformer pad. The project team will provide updates when available.
- Expect periodic entrance and exit of large trucks at the project site entrance, located at the intersection of Washington Street and Bryant Street. **Please expect minor traffic delays at this intersection.**
- No additional traffic impacts or pedestrian impacts are anticipated during this week.

Public Viewing Area:

If you want to stop by to check out the progress, stand by the picnic table outside the north entrance to Town Hall. This spot provides a great view into the project site and is outside of the project boundaries. Worth a visit!

Construction Hours:

- Crews will be onsite:
 - Saturday, April 2, 2022: 8:00 AM to 4:00 PM
 - Monday through Friday: 7:00 AM to 5:00 PM

Project Team Contact Information:

- Immediate issues or concerns, please contact the Town Manager's Office at [781-751-9100](tel:781-751-9100).
- For general questions or concerns, please contact the project team at psb@dedham-ma.gov
- For more information about the Public Safety Building Project, please visit the project website at www.dedham-ma.gov/psb
