**Ballot Question:**

Shall the Town of Dedham accept sections 3 to 7, inclusive of chapter 44B of the General Laws, as proposed by its legislative body, a summary of which appears below?

**Summary:**

Sections 3 to 7 of Chapter 44B of the General Laws of Massachusetts, also known as the Community Preservation Act ("Act"), establish a dedicated funding source for the: acquisition, creation and preservation of open space; acquisition, preservation, rehabilitation and restoration of historic resources; acquisition, creation, preservation, rehabilitation and restoration of land for recreational use; acquisition, creation, preservation and support of community housing; and rehabilitation or restoration of open space and community housing acquired or created as provided under said Act. In Dedham, the Act will be funded by a surcharge of one percent (1%) on the annual tax levy on real property and by matching funds provided by the state, to take effect beginning July 1, 2017. The following exemptions from such surcharge, permitted under Section 3(e) of said Act, will apply: (1) property owned and occupied as a domicile by a person who would qualify for low income housing or low or moderate income senior housing in the town; (2) \$100,000 of the value of each taxable parcel of residential real property; and (3) \$100,000 of the value of each taxable parcel of class three, commercial property, and class four, industrial property as defined in section 2A of said chapter 59. The surcharge to be paid by a taxpayer receiving an exemption or an abatement of real property authorized by G.L. c.59 or any other law will be reduced in proportion to such exemption or abatement. A Community Preservation Committee must be created pursuant to by-law and will make recommendations on the use of monies in the Community Preservation Fund. The Community Preservation Committee must recommend that at least 10% of the Community Preservation Fund annual revenues be spent in that fiscal year or reserved for later spending for each of the Act's three community preservation purposes: (1) open space, (2) historic resources and (3) affordable housing. Town Meeting must approve any such recommendation before the funds may be expended or reserved for any purpose.

A "YES" vote is a vote in favor of adopting the Community Preservation Act in Dedham, all as described in detail in the summary set forth above.

A "NO" vote is a vote against adoption of the Community Preservation Act in Dedham.

Sections 3 to 7 of Chapter 44B of the General Laws of Massachusetts, also known as the Community Preservation Act ("Act"), establish a dedicated funding source for the: acquisition, creation and preservation of open space; acquisition, preservation, rehabilitation and restoration of historic resources; acquisition, creation, preservation, rehabilitation and restoration of land for recreational use; acquisition, creation, preservation and support of community housing; and rehabilitation or restoration of open space and community housing acquired or created as provided under said Act. In Dedham, the Act will be funded by a surcharge of one percent (1%) on the annual tax levy on real property and by matching funds provided by the state, to take effect beginning July 1, 2017. The following exemptions from such surcharge, permitted under Section 3(e) of said Act, will apply: (1) property owned and occupied as a domicile by a person who would qualify for low income housing or low or moderate income senior housing in the town; (2) \$100,000 of the value of each taxable parcel of residential real property; and (3) \$100,000 of the value of each taxable parcel of class three, commercial property, and class four, industrial property as defined in section 2A of said chapter 59. The surcharge to be paid by a taxpayer receiving an exemption or an abatement of real property authorized by G.L. c.59 or any other law will be reduced in proportion to such exemption or abatement. A Community Preservation Committee must be created pursuant to by-law and will make recommendations on the use of monies in the Community Preservation Fund. The Community Preservation Committee must recommend that at least 10% of the Community Preservation Fund annual revenues be spent in that fiscal year or reserved for later spending for each of the Act's three community preservation purposes: (1) open space, (2) historic resources and (3) affordable housing. Town Meeting must approve any such recommendation before the funds may be expended or reserved for any purpose.

A "YES" vote is a vote in favor of adopting the Community Preservation Act in Dedham, all as described in detail in the summary set forth above.

A "NO" vote is a vote against adoption of the Community Preservation Act in Dedham.
