

# PUBLIC SAFETY BUILDING PROJECT

Weekly Project Updates and  
7-Day Look-Ahead

**Here is a look-ahead at the construction work planned for the Public Safety Building,  
from July 11, 2022 to July 15, 2022**

## **Project Overview:**

Construction of a combined public safety building commenced in December 2020 on the site of the former Town Hall at 26 Bryant Street. The new building will house the staff and equipment of Fire, Police, and Dispatch departments. The new combined Public Safety Building will replace two older Town buildings: Police Station at 600 High Street (built in 1962) and the Fire Station at 436 Washington Street (built in 1930). The new building is scheduled to open in the Fall of 2022.

A [livestream video](#) of the construction is available on the Project website! Tune in from anywhere to watch the continued progress on the Combined Public Safety Building. While there, check out the updated Before-and-After photos of the progress onsite.

## **What to expect July 11, 2022 (Monday) through July 15, 2022 (Friday):**

- The project site remains closed to the public.
- Electrical and HVAC contractors will be working onsite tomorrow, **Saturday, July 9, 2022 from 8:00 AM to 4:00 PM**. No impacts to vehicular or pedestrian travel are anticipated.
- Elevator and elevator machine room installation will continue this week.
- Plumbers will be installing piping equipment in the Mechanical Room and will be installing piping to the gas/oil separator.
- Installation of sprinkler heads on the fire suppression system within the second floor of the Fire Station will continue this week.
- Electricians will continue pulling data wires and installing lights on the second floor of the Fire Station and Police Station. The electricians will also continue pulling panel feeders throughout the building.
- Painters will continue to paint and prime the walls within the Mezzanine area and the basement.
- Additional acoustic ceiling tiles will be installed on the second floor within the Fire Department kitchen and dining area.
- Millwork placement and installation is scheduled to begin July 13, 2022.
- Metal panel subcontractor will be installing the parapet cap along the south side of the building.
- Expect periodic entrance and exit of large trucks at the project site entrance, located at the intersection of Washington Street and Bryant Street. **Please expect minor traffic delays at this intersection.**
- No additional traffic impacts or pedestrian impacts are anticipated during this week.

## **Public Viewing Area:**

If you want to stop by to check out the progress, stand by the picnic table outside the north entrance to Town Hall. This spot provides a great view into the project site and is outside of the project boundaries. Worth a visit!

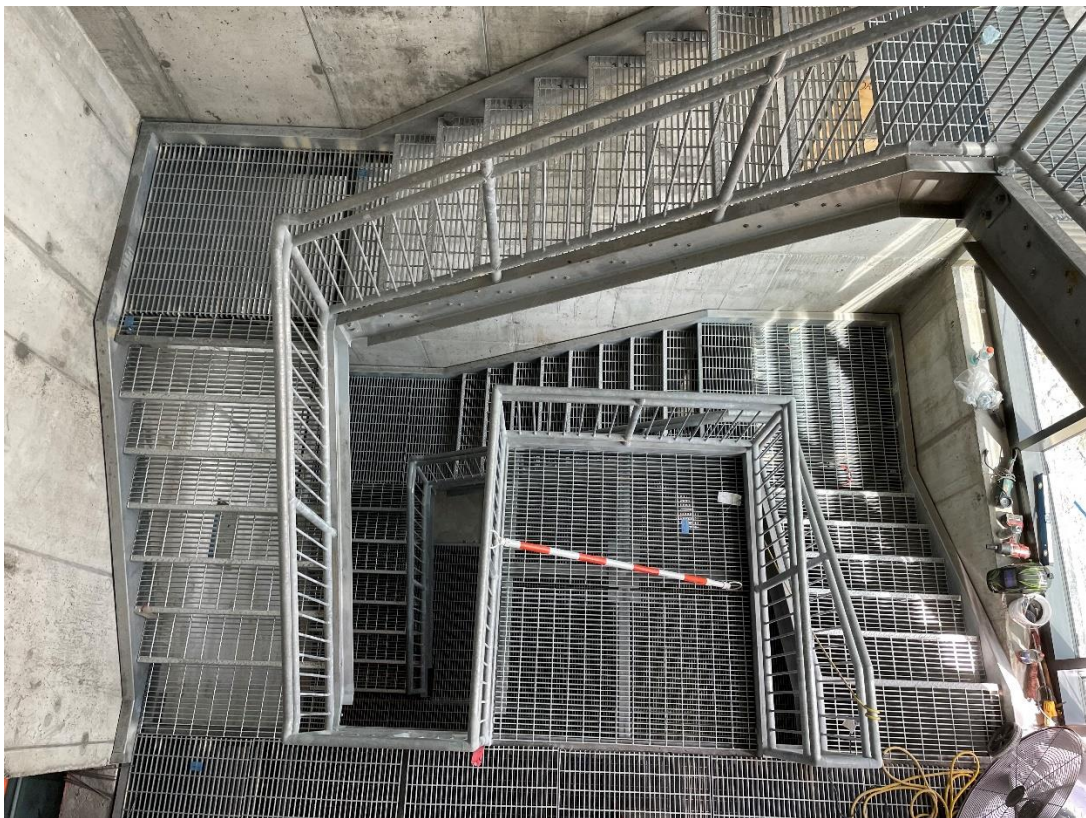

### Construction Hours:

- Crews will be onsite:
  - **Saturday, July 9, 2022: 8:00 AM to 4:00 PM**
  - Monday through Friday: 7:00 AM to 5:00 PM

### Project Team Contact Information:

- Immediate issues or concerns, please contact the Town Manager's Office at [781-751-9100](tel:781-751-9100).
- For general questions or concerns, please contact the project team at [psb@dedham-ma.gov](mailto:psb@dedham-ma.gov)
- For more information about the Public Safety Building Project, please visit the project website at [www.dedham-ma.gov/psb](http://www.dedham-ma.gov/psb)
