

PUBLIC SAFETY BUILDING PROJECT

Weekly Project Updates and
7-Day Look-Ahead

**Here is a look-ahead at the construction work planned for the Public Safety Building,
from August 1, 2022 to August 5, 2022**

Project Overview:

Construction of a combined public safety building commenced in December 2020 on the site of the former Town Hall at 26 Bryant Street. The new building will house the staff and equipment of Fire, Police, and Dispatch departments. The new combined Public Safety Building will replace two older Town buildings: Police Station at 600 High Street (built in 1962) and the Fire Station at 436 Washington Street (built in 1930). The new building is scheduled to open in the Fall of 2022.

A [livestream video](#) of the construction is available on the Project website! Tune in from anywhere to watch the continued progress on the Combined Public Safety Building. While there, check out the updated Before-and-After photos of the progress onsite.

What to expect August 1, 2022 (Monday) through August 5, 2022 (Friday):

- The project site remains closed to the public.
- Contractors are scheduled work onsite on **Saturday, July 30, 2022, between 8:00 AM and 4:00 PM**. Work will include epoxy floor installations, pressure washing, and electrical work. No impacts to vehicular or pedestrian travel are anticipated as a result of this work.
- Contractors will continue working this week on Bryant Street and Washington Street to install 3-inch conduit. Vehicular traffic may be impacted, and Dedham Police will be onsite to help assist with traffic flow and pedestrian travel.
- Crews installed concrete backup for the ramp to the underground garage and at the Sallyport curb.
- Contractor will be onsite to continue building the elevator cab. Work is anticipated to be completed by August 9.
- HVAC contractors will continue the installation of valves and associated piping for the induction units located on the second floor of the Police Station. In addition, they will be installing condensate pumps on the second floor of the Fire Station.
- Sheet metal will be installed for the induction unit ducts on the second floor of the Police Station.
- Plumbers will continue the installation of piping equipment in the Mechanical Room.
- Electrical contractors will continue pulling data wire for the second floor of both Police and Fire Stations and will install lighting on the first floor of the Police Station.
- Painting crews will work on priming and painting the walls on the first floor and in the cell blocks within the Police Station.
- Acoustic ceiling tile grids will be installed in the basement this week.
- Metal parapet wall caps will be installed along the east side of the roof and at the tower.
- This past week, crews placed and sawcut the topping slab within the apparatus bay. This week, crews will continue to install bottom reinforcement at the north edge of the slab.
- Crews have begun the process to prep and install epoxy flooring and will continue this week.
- Delivery of the building generator is anticipated for the middle of August 2022.
- Expect periodic entrance and exit of large trucks at the project site entrance, located at the intersection of Washington Street and Bryant Street. **Please expect minor traffic delays at this intersection.**
- No additional traffic impacts or pedestrian impacts are anticipated during this week.

Public Viewing Area:

If you want to stop by to check out the progress, stand by the picnic table outside the north entrance to Town Hall. This spot provides a great view into the project site and is outside of the project boundaries. Worth a visit!

Construction Hours:

- Crews will be onsite:
 - **Saturday, July 30, 2022: 8:00 AM to 4:00 PM**
 - Monday through Friday: 7:00 AM to 5:00 PM

Project Team Contact Information:

- Immediate issues or concerns, please contact the Town Manager's Office at [781-751-9100](tel:781-751-9100).
- For general questions or concerns, please contact the project team at psb@dedham-ma.gov
- For more information about the Public Safety Building Project, please visit the project website at www.dedham-ma.gov/psb
