MYTHS AND MISCONCEPTIONS

WEDNESDAY, APRIL 12, 2017

6:30-8:00 PM

WELLESLEY FREE LIBRARY

530 WASHINGTON STREET, WELLESLEY, MA 02482

Join women's health expert Dr. Ronee Skornik as she presents an engaging and informative program on myths and misconceptions of women's health . The program will highlight common issues that women face over their lifetime including: normal changes to expect as you age; causes for concern, and what you can do to be the best you. A lively question and answer session will follow the presentation.

Refreshments and giveaways and CEU's for nurses offered
