Dedham-Westwood Water District to Rescind Water Restrictions on Wednesday, October 19

Dedham, MA – Effective Wednesday, October 19, the Dedham-Westwood Water District will rescind all water restrictions, including the [current restriction level, Stage II-A](#).

“Our customers have diligently complied with mandatory water restrictions since the beginning of the summer,” said Executive Director Blake Lukis. “We appreciate and thank you for your unwavering cooperation throughout this particularly dry year.”

Customers are encouraged to practice voluntary water conservation efforts year-round inside and outside their homes. Learn helpful tips to conserve water on our [website](#).
