

PUBLIC SAFETY BUILDING PROJECT

Weekly Project Updates and
7-Day Look-Ahead

**Here is a look-ahead at the construction work planned for the Public Safety Building,
from December 19, 2022 to December 23, 2022**

Project Overview:

Construction of a combined public safety building commenced in December 2020 on the site of the former Town Hall at 26 Bryant Street. The new building will house the staff and equipment of Fire, Police, and Dispatch departments. The new combined Public Safety Building will replace two older Town buildings: Police Station at 600 High Street (built in 1962) and the Fire Station at 436 Washington Street (built in 1952). The new building is scheduled to open in the Winter of 2022.

A [livestream video](#) of the construction is available on the Project website! Tune in from anywhere to watch the continued progress on the Combined Public Safety Building. While there, check out the updated Before-and-After photos of the progress onsite.

What to expect December 19, 2022 (Monday) through December 23, 2022 (Friday):

- The project site remains closed to the public.
- **Weekend Work:** Contractors will be working onsite on **Saturday, December 17, 2022 and Sunday, December 18, 2022**, between 8:00 AM and 4:00 PM.
- Sheet metal contractors will relocate the cabinet unit heater within the lobby vestibule and will perform remaining punch list repairs.
- Painters will finish painting the Apparatus Bay walls, ceiling, and mechanical areas, and will paint the stairs.
- Fire Protection Contractors will be testing the flows and tampers with the Electricians onsite.
- Electricians will continue to pull wires within the apparatus bay.
- Miscellaneous Metals Contractor will be working within Stair #2 and will be welding the detention walkway railing.
- Lockers will be installed within the booking area, processing area, and within the evidence control area.
- Waterproofing contractors will caulk the exterior door frames throughout the building.
- Site contractors will continue backfilling areas within the project boundaries along the west, and will install granite curbing.
- Windows will be installed at the transaction window and at the Police Detail desk, and main entryway doors will be installed.
- Installer will continue the installation of the new overhead doors within the Apparatus Bay.
- Subcontractor will finish installing the detention furniture within the onsite detention areas.
- Landscapers will continue installing new stone pavers along the exterior of the west side of the building.
- Site contractors have completed the granite curbing along the west side of the building as of Friday, December 16, and have demobilized their equipment.
- Expect periodic entrance and exit of large trucks at the project site entrance, located at the intersection of Washington Street and Bryant Street. **Please expect minor traffic delays at this intersection.**
- No additional traffic impacts or pedestrian impacts are anticipated during this week.

Public Viewing Area:

If you want to stop by to check out the progress, stand by the picnic table outside the north entrance to Town Hall. This spot provides a great view into the project site and is outside of the project boundaries. Worth a visit!

Construction Hours:

- Crews will be onsite:
 - **Saturday, December 17, 2022: 8:00 AM to 4:00 PM**
 - **Sunday, December 18, 2022: 8:00 AM to 4:00 PM**
 - Monday through Friday: 7:00 AM to 5:00 PM

Project Team Contact Information:

- Immediate issues or concerns, please contact the Town Manager's Office at [781-751-9100](tel:781-751-9100).
- For general questions or concerns, please contact the project team at psb@dedham-ma.gov
