

# PUBLIC SAFETY BUILDING PROJECT

Weekly Project Updates and  
7-Day Look-Ahead

**Here is a look-ahead at the construction work planned for the Public Safety Building,  
from January 3, 2023 to January 6, 2023**

## Project Overview:

Construction of a combined public safety building commenced in December 2020 on the site of the former Town Hall at 26 Bryant Street. The new building will house the staff and equipment of Fire, Police, and Dispatch departments. The new combined Public Safety Building will replace two older Town buildings: Police Station at 600 High Street (built in 1962) and the Fire Station at 436 Washington Street (built in 1952). The new building is scheduled to open in the Winter of 2022.

A [livestream video](#) of the construction is available on the Project website! Tune in from anywhere to watch the continued progress on the Combined Public Safety Building. While there, check out the updated Before-and-After photos of the progress onsite.

## What to expect January 3, 2023 (Tuesday) through January 6, 2023 (Friday):

- The project site remains closed to the public.
- IT Contractors will be onsite tomorrow, **Saturday, December 31, 2022** from 11AM to 3PM.
- **The site will remain closed Sunday and Monday (January 1 and January 2). Work will resume at 7AM on Tuesday, January 3, 2023.**
- Plumbers will install the remaining finishes in the basement.
- Electricians will continue heat tracing in the garage, and will perform testing on the generator load bank.
- Security system vendors will be working with the project team for remaining work within the metal framing and doors.
- Painters are nearing completion of the garage line striping; work will continue this week.
- Miscellaneous metals contractors will be welding the railing within the detention walkway and stairwell #2.
- Metals panels will be installed along the north parapet wall.
- Elevator contractors will perform the remaining adjustments to the elevator in preparation for upcoming State inspection.
- Expect periodic entrance and exit of large trucks at the project site entrance, located at the intersection of Washington Street and Bryant Street. **Please expect minor traffic delays at this intersection.**
- No additional traffic impacts or pedestrian impacts are anticipated during this week.

## Public Viewing Area:

If you want to stop by to check out the progress, stand by the picnic table outside the north entrance to Town Hall. This spot provides a great view into the project site and is outside of the project boundaries. Worth a visit!
