WORKSHOP
#1

ESTABLISH
A VISION

Saturday, February 11, 2023
10am - 12pm
Riverdale Elementary School
143 Needham Street

BRIDGE STREET CORRIDOR PLAN

Bridge Street is an essential corridor in Dedham. This effort will establish a roadmap- together with the community - on how to preserve characteristics that are valued while also embracing changes that enable growth, foster fiscal stability and health and meet the needs of both residents and businesses into the future.

Please join us for this interactive community workshop to develop a future vision for this important corridor in Dedham.
