

Average Single Family Tax Bill

How does Dedham compare to other communities?

Peers are determined by the Massachusetts Department of Local Services (DLS) based on population, income per capita, equalized valuation (EQV) per capita, total budget, average single family tax bill, real estate as a % of total levy, tax levy as % of total budget, and community character

Neighbors are other communities located within Norfolk County and have been added to our list of Peers from DLS **Income data** provided by the Massachusetts Department of Revenue (for all charts above)
