

Trip to the Massachusetts State House!

Join us as Representative Paul McMurtry and Senator Mike Rush welcome us to the Massachusetts State House. We will have a tour of the building followed by lunch. Meet the people who work for us; our hard-working elected officials and their staff, and see government in action.

Paul McMurtry represents the 11th Norfolk District, including the towns of Dedham, Westwood, and precinct 8 of Walpole, MA.

Mike Rush represents the Suffolk and Norfolk District.
