Minutes of November 26th and January 28th were reviewed. C.K. made a motion to accept the minutes of November 26 and January 28th. M.M. second.

Earth Day 2013

D.H. said that she will promote the film at Nobles. C.K. asked about involving the film class at the HS. The Committee thought that was a good idea. C.K. will reach out the film teacher. He will also try and get it into the school newsletter and DEP.

Earth Hour

The Committee talked about involving the scouts and the churches in Earth Hour, as well as promoting through the papers and social media. C.K. mentioned the idea of giving out a gift certificate to Ron's Ice Cream for those that participated.

Community/Member Update

C.K. reviewed his conversations with NSL regarding solar for the snack shack at memorial field. NSL is having difficulty making this work since they are only focused on residential. C.K. is still very interested in pursuing solar at this location since the roof is new, oriented properly and visible from the ground, making this site an excellent educational opportunity.
