Jason Mammone, P.E., Director of Engineering
Michael D'Entremont, Chief of Police
Michael Buckley, Deputy Chief of Police

Mr. Bethoney opened the meeting at 7:03 pm.

Agenda Item # 1, review and discuss the approved revision to the Traffic Calming Policy.

Jason Mammone reviewed the changes that include the organization of the committee, the process in which a traffic calming request is accepted, the eligibility criteria, an introduction of what traffic calming "is" and "is not" and the objectives of the policy. Submissions will be evaluated on a point scoring basis and must meet or exceed 50 points be considered for Traffic Calming Measures.

Submissions that score slightly below 50 points will be either accepted or denied based on the recommendation of the TAC.

Jason mentioned the Policy has been approved by the BOS and is "live".

Agenda Item # 2 Traffic Calming Request #2018-001, Lower East Street: Decision on request.

The request was submitted by resident Maureen Magan of 28 Lower East Street. The applicant initially contacted Dedham PD with concerns of speeding and high traffic volume. Chief D'Entremont mentioned 93 citations have been issued since January 1 to present. Jason would like to know, of the 93 citations, how many of those were out of town drivers. The Chief will provide that data to Jason.

Jason is currently studying the area and will bring his initial evaluation of the area, excluding Bonad Road as it is a dead end street. He will have his evaluation prepared for the next meeting.

Agenda Item # 3 Approval of Meeting Minutes from 1/19/2016

We did not have a quorum at this meeting so will review and approve minutes at the next meeting.

Old/New Business

Mr. Bethoney asked for any old or new business that was before the committee.

A letter on interest was received from Daniel O'Neill of 16 Maverick Street to fill the vacancy on the TAC. Jason will review the application and make contact with him.

Jason mentioned a member from the Sustainability is still needed. Clarissa Robyn was to fill that vacancy temporarily but is unable to do so. Jason will contact Ginny LeClair about filling that vacancy.

The next meeting was scheduled for June 12, 2018.

Jim Antonizick made a motion to adjourn at 7:45pm , second by Charlie Packer.
